Time to Share Memories of Fiona

A time where people can share their stories and memories of Fiona, songs or poems etc. If you feel moved to share something and would like a timed slot for this, please contact Ruthie and Jonny on music@jazzberries.co.uk or call 07976 287795, with what you would like to share and how long you require. We also aim to offer some spontaneous 1 minute slots for those who wish to say something in the moment. This will be very informal.

Saying your goodbye

We are conscious that some people did not get to visit Fiona towards the end, when they would have liked to. We aim to hold a space during lunch, where those who wish to, can sit with her closed casket, with some privacy, and say their goodbyes.

Exeter Crematorium

Fiona's casket will be leaving Dartington Hall no later than 3.30pm. Those who wish to 'escort' her body to Exeter Crematorium may do so. Please note that there will not be a formal service at the crematorium and you will need to arrange your own transport.

The address for Exeter Crematorium is: Topsham Rd, Exeter, Devon, EX2 6EU

Flowers

No flowers thank you; instead, Fiona welcomes donations in her name to 'Yes to Life' - <http://yestolife.org.uk/y2l/donate.html>
